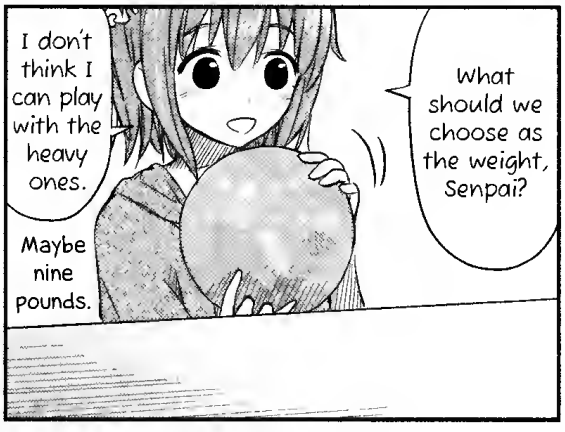
Okay.
Choose the ball you want, Sayuri.

A watermelon ...?



I don't think I can play with the heavy ones.
Maybe nine pounds.
What should we choose as the weight, Senpai?

『That's for children.』

I've never played it, but why not...?
Would you like to play the game where lined-up balls are made to bounce off each other?
Yes, I do!

The preparations are done, m'lady.
Let's play it then, Sayuri.
Yeah!
